TO THE MEMBERS OF THE PARENTS' ASSOCIATION

Election of the Management Committee

Following our Ad Parentes #4 & 5 inviting members to present their candidatures for the Management Committee, **we inform you that as yet not enough candidates have come forward to require a vote to be organised.**

As you are surely aware, many important areas of school life could not function properly without the voluntary work of parents. **It is a constant struggle to balance work/life commitments – but it would be a real shame if the Lux.1 and Lux.2 Associations were unable to each find between 11 and 21 persons (ie. 22-42 people altogether) among its numerous members, who are ready to devote their time and energy to working for it by joining the Management Committee.** After all, it is in the direct interests of our children.

The Management Committee needs members interested in all aspects of education, representing all language sections and all age groups. So please don't wait any longer – send your application to:

**Parents' Association of the European School
c/o European Commission
Jean Monnet Building – Room C1/004 L – 2920 LUXEMBOURG
office@apeee.lu**

By way of introduction, candidates should enclose with their application a typed text of no more than six lines, translated into at least one other language (one of which should preferably be English, French or German) together with a photograph. A model was included in Ad Parentes #3 & 4 and is available on the website.

We extend the closing date for candidatures to the **Friday, 25th May 2012.**

Applications are particularly invited from the following language sections, which are not represented (ie. for which no candidature has already been received):

Lux.1 : DE, EN and PL, PT and SWALS (EE, LV, LT).

Lux.2 : EN, FR and CZ, EL, HU and SWALS (RO, SI, SK) and future HR section
